"Want to be a school-master, do you? You? Well, what would you do in Flat Crick deestrick, I'd like to know? Why, the boys have driv off the last two, and licked the one afore them like blazes. You might teach a summer school, when nothin' but children come. But I 'low it takes a right smart man to be school-master in Flat Crick in the winter. They'd pitch you out of doors, sonny, neck and heels, afore Christmas." (Summary from Chapter 1)
